Education

Emergency Management & Homeland Security, Delaware Technical Community College, 2015 - Present

Criminal Justice, Delaware Technical Community College, 1997 - 1998

Associations

Member, International Association of Arson Investigators (IAAI)

Member, National Fire Protection Association (NFPA)

Jason Osika, IAAI-CFI, is a Fire Investigator with 29 years' experience in the fire service industry. He began his career in 1993 as a firefighter with the Dover Fire Department and held many positions including Fire Chief. In 2013, Mr. Osika moved into the City of Dover Fire Marshal's Office as a Deputy Fire Marshal and was promoted to Fire Marshal in 2016. Mr. Osika is experienced in determining the origin and cause of residential, commercial, industrial, healthcare, vehicle fires, fire scene excavation, evidence collection and chain of custody, fire damage diagramming, witness interviews, photographic documentation and report writing. He also has extensive experience in large event coordination and management as well as pyrotechnics

PROFESSIONAL HIGHLIGHTS

Senior Fire Investigator, Churchwell Fire Consultants, Inc., Philadelphia region, 2022 – present.

Conducts various types of investigations specializing in fire origin and cause. Responsible for scene excavation, documentation, evidence retrieval, witness interviews, product liability research and report preparation. Identifies potentially hazardous sites and materials and takes appropriate actions to conduct thorough examinations.

Senior Fire Investigator, Jensen Hughes, Baltimore, MD, 2019 – 2022.

Responsibilities include overseeing and managing fire forensic operations, marketing, and business development of the North and South regions of North America. Forensic fire and explosion investigation and analysis to evaluate origin and cause, fire reconstruction, performance of detection and suppression systems, fire spread analyses, and litigation support. Forensic investigations of vehicles, appliances, and systems involved in non-fire losses. Review and evaluation of internal expert forensic reports.

Fire Marshal, City of Dover, Dover, DE, 2016 - Present.

Origin and Cause Investigator on over 1000 fire and explosion scenes which included a wide range of structures, vehicles, and other machinery/equipment. Examined electrical and mechanical components of items, appliances, and

vehicles in the evaluation of cause hypotheses and assessing accidental and criminal incidents. Examined fire protection systems to determine whether they operated correctly during a fire or the reason for failure. Inspected commercial, medical, academic, and multi-family residential units to determine if fire protection equipment and life safety issues met code. Served as backup

Part-Time Firefighter, Dover Fire Department, Dover, DE, 1993 - Present.

Served as Fire Chief (which is also the department head for the City of Dover responsible for preparing and managing a \$1,000,000 budget), Deputy Chief, Assistant Chief, Captain, President, Secretary, and Board of Directors.

Part-Time Firefighter, Magnolia Volunteer Fire Company, Magnolia, DE, 2009 - Present.

Deputy Fire Marshal, City of Dover, Dover, DE, 2013 - 2016.

Inspector I, City of Dover, Dover, DE, 2012 - 2013.

Fire Dispatcher, City of Dover, Dover, DE, 2001 - 2012.
